ST. ANTHONY OF PADUA MINOR SEMINARY AND PREPARATORY SCHOOL

VOLUME 9, NUMBER 1

WATKINS GLEN, NEW YORK

NOVEMBER 1957

## FIRST ANNUAL ALUMNI MEETING

l. to r.: Fr. Claude, McDonnell, Trainor, Groncki, Malina, Fr. Terrence

### Four New Fathers Come to Padua

Upon returning to school, the Paduans, as last year, were greeted by four newcomers to St. Anthony's faculty. They are Fr. Hyacinth Kulinski, having taught 13 years of Latin at St. Bonaventure's; Fr. Eric Skalski, also from St. Bonaventure's who taught English 5 years; Fr. Mitchell Daszkowski, from Burlington, Wis., and Fr. Timothy Pawlak, former guardian at Christ the King Seminary, who will also serve as the new guardian at Padua.

Fr. Hyacinth has the freshmen and juniors for Latin. Fr. Eric will teach freshman and junior English. Fr. Mitchell specializes in Algebra and Intermediate Algebra, which he will teach the freshmen and seniors respectively. Fr. Timothy will teach the entire student body our Faith.

We extend a warm welcome to these men of God and hope that their stay at Padua will be lengthy and pleasant.

Also after a year's absence the Paduans welcome back Fr. Terrence, who will teach the sophomores and seniors English.

Welcome all!

### THIRD ORDER RECEPTION

The Third Order Reception was held, as usual, on St. Francis Day, October fourth. The new members included Ronald Regula, Anthony Mangini, John Trela, Harry Pinola, Frank Uss, Louis Tarantelli, and Joseph Strychasz. They were received by Father Claude Zabinski, O.F.M., who gave a brief sermon about the scarcity of the new T.O. members. The reception, held in the chapel, was followed by devotions and benediction with Fr. Claude officiating.

### FORMER PROFESSOR CONDUCTS RETREAT

Substituting for the previously assigned retreat master, Father Emmanuel Mlodzik, a former teacher here at Padua, conducted the retreat. Monday evening, September 16th, the retreat opened with a conference dealing with the fundamentals of such an exercise. Throughout the next day and a half, only a few chosen topics: heaven, hell, sin, vice, vocations, were discussed. Silence and spiritual reading were also encouraged. The students concluded the retreat with a Holy Hour on Wednesday morning after which the Papal Blessing was imparted.

The first session of the former Padua graduates was held this Aug. 24, 1957 at ten a. m. The following alumni of the Pioneer class of '53 were present.

Szczepanski, Fr. Donatus, O.F.M.  
Olszewski, Fr. Seraphin, O.F.M.  
McDonnell, Joseph  
Haydock, Edward  
Danchek, Joseph  
Chodnicki, Richard  
Groncki, Robert  
Trainor, Thomas  
Kuhn, James  
Angelo, James  
Malina, Joseph

Members of the class of '54:  
Pojawis, John  
Olszewski, Conrad

Members of the class of '55:  
Malina, Robert  
Dmuchowski, Leonard  
McDonnell, Edward

Members of the class of '56:  
Asiello, John  
Drozdowski, Joseph  
Golinski, Paul  
Kelley, Thomas  
Killigrew, Robert  
Nawrot, Richard  
Perzanowski, Thaddeus  
Tereskiewicz, Joseph  
Ranus, Walter  
Tulko, Thomas  
Przybysz

The next session was opened by the Rev. Father Claude Zabinski, Rector of the school. Father extended his welcome to all the members attending the meeting and expressed his heartiest wishes for its success and a pleasant weekend for all. Father also expressed his surprise and pleasure in the fine turnout of members, considering the little planning that was made for the occasion.

Credit must be given to Mr. Joseph Malina for the time and effort he put into making this meeting possible. Mr. Malina took the floor and read some of the correspondence he had received from other alumni who found it impossible to attend. Some of the letters were

those of Mr. Zigmuntowicz '53, Mr. Cecce '53, Mr. L. Pianowski '54, Fr. Roger Yurko '54, and others.

Following Mr. Malina's presentation, question blanks were passed out to the alumni so that adequate information could be obtained about each and every one of them at present and in the future to facilitate a closer relationship of members and school.

After the question blanks had been gathered election of officers took place. Mr. R. Groncki suggested that elections take place immediately at this first session and not put off to another. It was suggested by Fr. Claude that Fr. Terrence be appointed as Secretary and one of the members of the Pioneer Class be elected as President.

In the election for President Mr. Joseph Malina came to the top with a majority vote of 20 and Mr. J. McDonnell with 3. Malina then became the first President of the St. Anthony Minor Seminary and High School Alumni Association. Mr. J. McDonnell was then chosen by popular vote to take the position of Vice President of the Association.

The election of the Treasurer then followed when Mr. J. Pojawis nominated R. Groncki. Mr. R. Chodnicki seconded the motion. Mr. Paul Golinski nominated Mr. E. Haydock and Mr. T. Trainor seconded the motion. It was decided that the Alumni members of the Franciscan Order be excluded from any office because of the difficulty they would find in fulfilling the accompanying obligations. Mr. Robert Groncki was then elected Treasurer.

It was then decided, because Fr. Terrence was appointed Secretary it was still necessary that the Organization have a Recording Secretary. Mr. T. Trainor was elected.

## THE ROSARY

"... now and at the hour of our death. Amen." So ends one of the most powerful yet simple means by which we are able to converse with Mary, the Queen of Heaven. Identified, as the Hail Mary, it is the favorite prayer of the Blessed Virgin, and the frequently repeated verse of the Rosary.

On the subject of the Hail Mary's frequent repetition in the Rosary, an explanation or clarification is in order. Most opinions center about the facts that by repetition, the idea of the Rosary will be impressed upon the one reciting it, and secondly, all of those repeated Hail Mary's will stream to Heaven where the B.V.M. cannot neglect or be forgetful of all of them.

This thought brings to mind the form of the Rosary. It is obvious, therefore, that when any prayer has to be repeated a large number of times, some mechanical device, rather than counting on the fingers, must be employed to keep count of the repetitions. Hence, the ten beads for the Hail Mary's separated by the large bead for the Our Father.

This fact was realized by almost all the peoples of the earth from the early stages of civilization. Monks used to count their prayers by throwing pebbles away after a prayer was said, passing over the beads, the prayer is said.

As we say the Rosary, a pleasant thought should enter our minds—one, for instance, that the name rosary means a garland or bouquet of roses. A bouquet of roses to present to the Blessed Virgin in heaven!

Quite to the contrary the devout Mohammedan lifts up his prayers to Allah, actually no words are spoken or thought of. By just passing his fingers over the beads of his Tasbih, the prayers to Allah are completed. This is in contrast to our conception of our usefulness of the rosary. Our rosary could be said without the help of the beads, which only serve to count our utterances.

Though the meditation of the mysteries is lifted up to God, it is this meditation that is the real prayer of the Catholic, while the prayer of the Mohammedan is fingering his beads, which is only mechanical.

### SAINT FRANCIS AND THE MODERN TEENAGER

The teenager of today faces the same problem that confronted a man who lived about six centuries ago. His name was Francis, and he, like any other boy of the times, spent his youth in having fun and envisioning himself as a great soldier. During this time the moral level of society was on a downfall. The only thing people wanted to do was to enjoy themselves. Francis followed the trend until he was captured in a battle and imprisoned. During his stay there he must have gotten down to serious thought. The questions "What am I doing on earth?" and "Where will I go after this life?" must have often come to his mind. After he was released his life took on an entirely new outlook. He saw through the nothingness of earthly goods and pleasures and came to the realization that nothing matters but the will of God. He always remained a soldier, however, but unlike earthly soldiers he fought an invisible foe, the devil. He, with the help of God, conquered and was successful in bringing the world closer to God.

The world of today is also morally sick and the only medicine that will revive it is the modern teenager growing into a man resigned to the will of God and determined to bring the world a little closer to Him.

### FRANCISCAN NOVICES

A very pleasing and surprising percentage of the class of 1957 had vocations to the Franciscan priesthood. Members of the class who received the habit of Saint Francis on August 14, 1957 at the Queen of Peace Monastery, Lake Geneva, Wisconsin included: Raymond Ryniak, Frater Max; Robert Kaminski, Frater Brian; Frank Bazyk, Frater Valerius; Florian Kowalczyk, Frater Bruno; Stanley Janowski, Frater Emeric; Joseph Barstys, Frater Savio; John Liczner, Frater Severin; John Michalski, Frater Conan; Zigmund Stryjewski, Frater John-Joseph; Thomas Chmielewski, Frater Cletus; and Valentine Lapsanski, Frater Duane.

To these we extend our best wishes for continued perseverance in their vocations. The total number of Paduans who have joined the ranks of the Franciscans since Padua's first graduating class in 1953 has grown to 29.

### PADUA STUDENTS WINS T.V. SET

Lady Luck has once again smiled on our school. Stanley Szot, one of the students, won the Westinghouse Color Television Set, which had been the grand prize in the raffle held by the Watkins Glen Golf Course.

This seems fitting, because the Paduans were instrumental in the sale of a good many of the raffle tickets.

### REPLICA OF CHRIST

In poorest towns, in pious families;  
In humble hearts which feel the holy peace;  
In hearts, where humility alters life's mode,  
Does Christ the Suffered make His abode.  
Hearts that are fulfilled in His Sacramental presence,  
Hearts willing to suffer to feel His essence,  
In such hearts Christ quenches His love  
With God and Father and Spirit Dove.  
They receive His grace, their lives' guide,  
That grace which flowed from Christ's side;  
And which gathers up and calmly rests  
In those humble in human breasts.  
Upon one God sheds a special grace,  
To love and endure suffering for the human race.  
Suffering that is different, more divine than any other.  
Christ's own suffering on Cross, witnessed by His Father  
It bears the wounds so agonizing and cruel  
For the poor and weak souls, whom the satans duel.  
Its life is simple, except for the wounds of Our Lord,  
Which are from God and Christ's reward  
To one who abandons the world and its lust,  
And be as unimportant as dust.

—Zbigniew Koninieć

### SOLEMN HIGH MASS ON THE FEAST OF ST. FRANCIS

On the Feast of St. Francis, the student body participated in the celebration of a Solemn High Mass. The celebrant was Fr. Roland with Fr. Terrence assisting as deacon and Fr. Austin as sub deacon. The sermon which was given by Fr. Terrence was based on the life of St. Francis, the teenager. After this Solemn High Mass, the Paduans enjoyed a pleasant day.

The first conference of the Saint Anthony of Padua Minor Seminary and Preparatory School Alumni Association was held at the school in Watkins Glen, New York on August 24, 1957. The time and efforts of Mr. Joseph Malina were not in vain, for this 1st annual meeting turned out to be quite a success.

The Association chose a special committee under the leadership of Father Claude Zabinski and Father Terrence Pinkowski to draw up the group's constitution. Members of this committee are: J. Malina, T. Trainor, J. McDonnell, P. Golinski, J. Pojawski, and R. Malina.

The alumni officers are as follows: J. Malina, president; J. McDonnell, vice president; R. Groncki, treasurer; T. Trainor, recording secretary; and Father Terrence as appointed secretary.

The purpose of the First Alumni Convention held at Padua was to better weld the alumni into a more personal relationship with the school, thus organizing a strong and active organization.

**RAFFLE**

On the evening of October 4th, 1957 a raffle, sponsored by the Ladies' Auxiliary of Buffalo, was held here at Saint Anthony's. The following are the winners, prizes, and the donors:

Helen Struzinski, 154 23rd St., Brooklyn 32, N. Y., won the tricycle donated by Watkins Sporting Goods, Watkins Glen, N. Y.

Mary Ann Kowalczyk, 62 Hoerner St., Buffalo, N. Y., won the floor lamp donated by Rosinski Furni-

**Inquiring Reporter**

Question: "What do you think of the Russian satellite sputnik?"

Louis Wilusz: "In my opinion the sputnik should stay where it is, not only for scientific information for Russia, but for the entire world."

Steve Kurpiel: "They're bound to get some information out of it."

Tony Zembrzusi: "What's that?"

Bill Gliwa: "The United States had better get down to business."

Tom Mullaney: "Science or propaganda?"

Mike Uss: "Lot of propaganda just to show up the United States."

Obal: "If we launch one in our near future it will be far superior. The Russians have built theirs in a hurry in order to get supremacy of outer space."

R. Uss: "Who's she?"

Sek: "The sputnik seems to be the only thing the Russians did first."

Chet '23' Szanowski: "It clearly shows the only thing the Russians did first. Also it shows that the people of America have underestimated the scientific ability of Russia. We thought we were far superior but the sputnik showed different. It doesn't matter whether our satellites will be superior. They have beaten us to the punch."

**CLASS MEETINGS**

September 19th marked the first class meetings of the new school year.

The seniors, because of the absence of their former class moderator, Father Victorian, asked for and received Father Emil as their moderator for the year. The main action taken up was the election of class officers. Gerald Nowotarski was elected president; John Balsiewicz, vice president; Stanley Duchak, secretary; Ronald Gajewski, treasurer; and Philip Tereskiewicz, athletic director. The ever present problem of selling ads for the yearbook was discussed. Other problems such as graduation pictures and the selling of raffle tickets to aid in the production of the senior yearbook were solved.

The juniors with the return of Father Terrence, their class moderator, after a year's absence, elected John Trela, president; Felix Kopycinski, vice president; Ronald Regula, secretary; and Louis Tarantelli, treasurer. The main topic on the juniors' agenda was the fitting and ordering of class rings which will be presented to the class at a later date.

The sophomore class in turn elected John Sowa, president; Kenneth Joswick, vice president; Thomas Wojlawowicz, secretary; and Gerald Gienza, treasurer. The sophomores used the time of the meeting to discuss the economic situation of the class.

The freshman class elected for presidency, Alexander Szczesniakowski; for vice presidency, John Pavlik; for secretary, Joseph Szczepaniak; and Dmuchowski as treasurer. The freshmen obviously new to this type of meeting used the entire period to discuss the procedures of class meetings and also to become better acquainted with each other.

**FORMER PROFESSOR CONDUCTS RETREAT**

Substituting for the previously assigned retreat master, Father Emmanuel Mlodzik, a former teacher here at Padua, conducted the annual fall retreat on Monday evening, September 16th. It began with a conference concerning the fundamentals of such an exercise. Throughout the following day and a half, only a few chosen topics including heaven, hell, and vocations were discussed. Silence and spiritual reading, the two essentials of

a retreat, were strongly encouraged. Holy Hour services on Wednesday morning followed by the Papal Blessing commenced one of the most liked and best kept retreats at Padua. The student body had put its best foot forward in starting another school year.

**RAFFLE AT ST. BONAVENTURE**

The winners of the 1957 raffle held on August 18 in Sturtevant, Wisconsin, were:

1st prize: Chevrolet won by Mary Jean Wendell, 405 Olive St., Prospect Heights, Ill.

2nd prize: Refrigerator won by James Sherfinski, 3617 18th Ave., Kenosha, Wisconsin.

3rd prize: Dryer won by Father Burnick, 3612 W. Grant Ave., Milwaukee, Wisconsin.

4th prize: Portable TV won by Mr. Ed Kwiatkowski, 4921 W. 30th Pl., Cicero, Ill.

We wish to thank all the good people who have purchased tickets to aid in the rebuilding of our new school at Sturtevant.

**FORMER STUDENT WINS STAN LESNY SCHOLARSHIP**

Alexander Maksymowicz of Long Island City, New York, a graduate of Padua in 1955, was one of 13 winners of the Stan Lesny Scholarship for 1957-1958. Maksymowicz, only 17 years old, is majoring in Nuclear Physics, and has maintained a straight A average through three years of intensive training in one of the most difficult engineering schools in the nation, Massachusetts State Institute of Technology. It is not surprising that a person of this capacity should win such an honorable award. We extend to him our best wishes for continued success in his studies.

**Saint Francis**

"Look at Francis! What's that silly costume he's wearing? Has he gone mad?" These words rang through the streets of Assisi. It was after the turn of the 13th century when Francis was still in his teens. The world was at this time materialistic in its outlook on life. A man possessing great wealth was admired and esteemed by all, but a poor man was scorned and laughed at, just as Francis was. Francis, the village dandy, the idol of all his friends, and he had many, had suddenly appeared in the streets in a beggar's attire. His outlook on life had suddenly changed. He approached the poor and the diseased to comfort them. Assisi was shocked. "How did this come about?" was heard throughout the area. Then only Francis knew the answer to this question. He lived in a time similar to ours. His friends, likes, and dislikes resembled our own, but yet he became aware of the wastefulness of his life up to that point. He saw himself and the world for what it was, and he tried to change it. But his attempt was different from others, for he succeeded. It took a lot of effort, self-sacrifice, humiliation, and even rejection by his father. But the call of his true Father was stronger than all other desires. So Francis succeeded much to the surprise of many, and thousands more followed his example.

Saint Francis of Assisi was only a spark, but this spark grew to a flame and then to a fire which still burns brightly. We can help keep it burning by imitating Francis. It's worth a try.

**Five Professors Leave Padua**

During the course of the summer, Fr. Claude announced that five professors were to be transferred. Among these was Fr. Leo, the former disciplinarian, who is presently the assistant provincial historian at the Queen of Peace Monastery, in Lake Geneva. Fr. Victorian, who was the religion instructor and registrar at Padua for three years, is now at the Sacred Heart Monastery in Canton, Massachusetts and is doing missionary work in the Catholic Churches of Boston. Fr. Roderick, who taught Latin for one year at Padua, is teaching Latin at the newly rebuilt St. Bonaventure High School in Sturtevant, Wisconsin. Fr. Herbert is the disciplinarian at the same school. Fr. Herbert, during his one year stay with us, instructed the freshman class in Algebra. The famous **Franciscan Message** is now under the capable direction of Fr. Christopher, who taught English here for one year.

In whatever fields these Fathers enter, may God help them to do their best.

**ALUMNI DUES**

At the first annual Alumni Conference it had been settled that a monthly sum of \$1.00 dues be paid by each alumnus. These payments will go into a scholarship fund to aid underprivileged young men studying for the priesthood. Receipts from the first payment are:

Mr. Joseph Malina	\$3.50
Mr. Joseph Danckek	3.00
Mr. Thomas Tulko	2.00
Mr. Robert Malina	2.00
Mr. John Pojawis	2.00
Mr. Walter Ranus	2.00
Mr. Leonard Dmuchowski	2.50
Mr. Richard Nawrot	2.00
Mr. Edward O'Neil	3.00
Mr. Thomas Kelley	5.00
Mr. Robert Worth	5.00
Mr. Edward Haydock	2.00

We of the Paduan shall in the future keep the alumni informed about their payments.

# - Cascaders Victorious in 8 Attempts -

## SOCCKER TRYOUTS

As in previous years the Cascaders have strong opposition in soccer. The team has a twelve game schedule in which they face seven teams.

When the time for tryouts finally arrived, many enthusiastic Paduans came out. Fr. Emil the coach met with some difficulty in forming a team this year because many of last year's regulars had been lost to graduation. Even though nine players returned from last year's squad, only three positions on the team were assured of. Practically a whole new team had to be formed.

Thanks to the fine weather, most of the practice sessions were held on the soccer field. Practice was strenuous, for Fr. Emil had to form the team into an effective unit in a relatively short period of time.

Finally, after two weeks of intensive calisthenics and drills, an effective first team was formed. With this team, Fr. Emil and the school hope the Cascaders will emerge victorious. The players include:

Center—M. Uss, R. Uss  
L.I. Forward—R. Gajewski, F. Uss  
R.I. Forward—G. Nowotarski, R. Bahara

R. Wing—S. Kurpiel, J. Sowa  
L. Wing—M. Eleniewski, W. Wnukowski, J. Szutarski

C.H.B.—C. Szanowski, S. Duchak  
L.H.B.—S. Grysko, T. Mullaney  
R.H.B.—Z. Koniniec, F. Szydowski  
R.F.B.—E. Brozek, L. Wilusz, T. Zembruski

L.F.B.—J. Szeszniakowski, J. Balsiewicz, J. Pomaski  
Goalie—P. Tereskiewicz, T. Krzciuk

## PADUA ZEROES WAYLAND 5-0

The Padua Cascaders opened their season at Wayland. In the first half the strong Padua backfield was able to ward off Wayland's strong offense. After half time, the Cascaders were sparked by Wnukowski's penalty kick which was followed by Mike Uss' goal. In the fourth quarter Gerry Nowotarski's pass to Wnukowski enabled him to score the last goal. This victory was their first over Wayland.

Wnukowski Gets Off a Healthy Kick

## CASCADERS NIP SAVONA 3-2

Padua had a very difficult time with Savona. The Cascaders took a 1-0 lead in the second quarter, but lost it on a goal by Savona in the third quarter. Gerry Nowotarski regained the lead for Padua and the rest of the game remained a seesaw battle.

## PADUA WHIPS KING FERRY 6-3

The Cascaders played their first home game against King Ferry. Although both teams had opportunities to score in the first half, each team could only score 1 point by a penalty marker. In the fourth quarter the Cascaders came to life by scoring 2 quick goals by Mike Uss and Gerry Nowotarski. The visitors also took advantage of their chances and scored, but Padua put the game away in the closing seconds by Gerry Nowotarski.

## PADUA RUINS CAMPBELL 7-0

The Cascaders were all prepared for the tough Campbell team. Gerry Nowotarski started with a penalty marker in the first quarter and the Cascaders showed more fight as Nowotarski scored a goal. After half time, Nowotarski again pushed a goal through to make the score 5-0. The second string saw action in the fourth quarter as Richard Uss tallied.

This was Padua's fourth straight victory, and the first time Campbell had been defeated since 1955.

## PADUA NIPS WAYLAND 3-2

Padua playing Wayland at Savona had to show plenty of fight. Although Wayland was hit by the flu, they managed to send thirteen players to face the Cascaders. Nowotarski scored on a penalty marker in the first quarter. Wayland, playing very hard, scored, taking a 2-1 lead. A nip and tuck game was played until Wnukowski scored in the fourth quarter by heading the ball in.

## PADUA OVER CAMPBELL 5-1

The Cascaders, going for their sixth straight victory were quite shaken when Campbell scored in the first minute of the game. Wnukowski came through for a penalty marker equalizing the score. Chet Szanowski scored a goal which was followed by Eleniewski's goal. Padua coasted then to their sixth straight win 5-1.

## PADUA CRUMPLES ELKLAND 6-3

The Cascaders were well prepared to take over the undefeated Elkland team. As the game got under way Elkland seemed to go through our defense like water, but great saves by goalie, Phil Tereskiewicz, kept Padua's 1-0 lead. In the second quarter the Cascaders had trouble bringing the ball down so Fr. Emil called upon little Johnny Sowa. In less than two minutes Sowa was able to give the Cascaders a 5-0 lead by his two quick goals.

During the third quarter Tereskiewicz was again given many chances at the ball, but allowed one through bringing Elkland up 5-2. In the last quarter Elkland scored on a penalty marker. A very tired Padua team put its all out fight in the remaining minutes. The Cascaders scored with a minute to go on Nowotarski's penalty kick and left the field exhausted but happy over their victory.

After the game Father Emil praised the players for their spirit, and was glad to win since this was Padua's first victory over the Elkland team, which has been playing Padua for over six years.

## CASCADERS NIP ELKLAND 1-0

The Cascaders playing the strong Elkland team on home grounds showed a most amazing skill in defensive and offensive play. Both teams met a week before with the win going to Padua 6-3.

In the first half both teams played strong ball. Each had scoring opportunities but the opposition's defense proved a bit tight. In the third quarter the Elkland center forward put a ball past Tereskiewicz the goalie, but to the joy of the Cascaders, it was nullified because of a foul committed by one of the Elkland players. In the fourth quarter the Cascaders muffed many opportunities for goals. With two minutes remaining in the last quarter, a kick for a goal by Kurpiel set up a penalty kick for Gerry Nowotarski, who quickly converted it into a point. With only 15 seconds remaining, the Padua student body chanted each second until the Cascaders left the field as victors.

This was by far the Cascaders' toughest game, but in the end they were overjoyed for it was their 9th consecutive win and their second against Elkland.

## Surprised Coach!

I guess everybody, including the soccer coach, was pessimistic about the chances of the soccer team this year. When tryouts for the soccer team arrived, not as many Paduans came out as in previous years. But finally the coach put a team on the field.

As the time for the first game rolled around, everybody, even most of the players, thought our chances looked mighty dim. But the Cascaders emerged victorious in this game.

Even though the Cascaders have lost their final game, the previous wins have offset this defeat. Hats off to Fr. Emil the coach whose knowledge greatly aided in such a victorious season.

## FORMER RIVAL BECOMES NEW COACH

Upon our returning to Padua, the student body discovered that it had received a new Physical Education instructor and varsity basketball coach. Besides his positions here Mr. Lemak also coaches the football team in Watkins.

We have learned that Mr. Lemak was active in athletic competition since his early days in High School. He was a four-letter man at Peekskill High School, receiving letters for track, football, basketball, and baseball. He was light-heavyweight champion of Westchester in 1937. After his graduation in 1937, he attended Scarborough School, where he played football for two undefeated seasons. Then due to a football scholarship, Mr. Lemak entered Manhattan College, where he received a Bachelor of Science degree in Physical Education. He also received a Master's degree from St. Bonaventure University.

But, instead of beginning his career as coach, Uncle Sam delayed him for four years in the service of our country as a sailor. While in the Navy he participated in the first invasion of Africa in 1942. In 1943 he was stationed at Sampson A.F.B., then he was sent to the Aleutian Islands for ten months. Before his honorary discharge in 1946, he was a coach at Floyd Bennett Field in Brooklyn.

Since his discharge ten years ago, he has been coach of Watkins Glen Central High School in football, basketball, and baseball. He has a charming wife and three children. For the last three years he has been golf champion of Schuyler County.

Mr. Lemak's model boy can be expressed in his own words: "Whatever a boy does, he should do with his whole heart. No matter whether in sports or academic studies."

The entire student body wishes that Mr. Lemak will be happy with his new position here, and that he will remain with us for an unlimited number of years.

## INTRAMURALS

This year Fr. Emil has designed a new method in intramurals. As every year some varsity players picked teams, composed of the remaining students. After ten teams were chosen, two leagues were constituted, each composed of five teams.

Each team will play three round-robins in its respective league. After each round-robin is completed, both leagues will be altered. The five teams with the highest averages will be placed into one league, while the other five will constitute the other league. After the third round-robin, the winning team in each league will play each other for the championship.

After the first round-robin, Gajewski's and Nowotarski's teams dominated the race in A League, with Gajewski's team coming in first. But in B League most of the teams were close due to five ties. In spite of these ties, Kurpiel's and Koninieć's teams managed to win two games apiece to end in a tie for first.

Here are the standings after the first round-robin:

A. League	W	L	T	pct.
Gajewski	3	1	0	.750
Nowotarski	2	0	2	.750
Uss, M.	2	2	0	.500
Brozek	1	2	1	.375
Wnukowski	0	3	1	.250

B League	W	L	T	pct.
Kurpiel	2	0	2	.750
Koninieć	2	0	2	.750
Wilusz	1	1	2	.500
Tereskiewicz	0	2	2	.250
Balsiewicz	0	2	2	.250

After the second round-robin, Kurpiel's team dominated the race in A League, with M. Uss' team as runner up. Balsiewicz' team won in B League, with Tereskiewicz' team as runner up.

Here are the standings after the second round-robin:

A League	W	L	T	pct.
Kurpiel	3	0	1	.875
Uss, M.	2	0	2	.750
Nowotarski	2	1	1	.625
Koninieć	1	3	0	.250
Gajewski	0	4	0	.000

B League	W	L	T	pct.
Balsiewicz	3	0	1	.875
Tereskiewicz	3	1	0	.750
Wnukowski	2	2	0	.500
Wilusz	1	2	1	.375
Brozek	0	4	0	.000
